Hillsdale Park, located adjacent to the Hillsdale Fire Department, offers a paved walking path with benches along the route. The north edge of the path is shaded; within the path is an open field, ball field, basketball court, and horseshoes. Historically, the ballfield and dug-outs have been in this location for many years. Bring your own 'bases' as these have 'walked away' time and again over the years.

The bell that was once housed at the Hillsdale School now 'lives' at the park and children delight in ringing the bell.
