

REPORT.

State of Indiana, Vermillion County, ss:

In the Commissioners' Court March Term, 1913

In the Matter of the Gravel Road Petitioned for by Harry D Porter et al.,

To the Honorable Board of Commissioners of Vermillion County, Indiana:

The Undersigned, Fred Walter and C. P. Carithers, viewers, and J. A. Boole engineer, heretofore appointed in the above named cause, beg leave to submit the following report, to-wit:

That they met at the time and place named in the order issued in the above entitled cause, and after being duly sworn as provided by law to act as such viewers and engineer, and said J. A. Boole having filed his bond as such engineer, in the sum of Five Thousand (\$5,000.00) Dollars, which bond was approved by the Auditor, they proceeded to view and locate said proposed gravel road in accordance with the order of the Commissioners.

And they find that said road will be of public utility, and that the improvement of said road, by grading, draining and graveling said road as hereinafter set forth, will be of public utility, and that the following is description of the commencement, route and terminus of the proposed road, a description of the work proposed, the grade, drains, culverts, kind of bridges and improvements and quality and depth of gravel to be used, and also an estimate of the cost of construction, including the cost of culverts, drainage and all things necessary for the completion of the road.

They also file herewith, and marked Exhibit "A," a profile showing the grade of said work.

DESCRIPTION OF ROUTE.

Commencing at a point about 1/4 mile east of the North east Corner of Section 16, Township 17 N R. 9 W. thence along center of Highway in a north west direction 2625 ft thence west 276 ft thence north along Section Line between sec 4 & 5 T17 N Range 9 west 1185 ft to South Bank of Key Branch thence across and along west bank 1084 ft thence along said section line 4300 ft to the north west line of Section 5 thence in a westerly direction 5528 ft to the intersection of the Eugene and Cayuga free gravel Road. Total length 15828 ft.
