

And this Board of Commissioners now appoints.....
Herbert G. Sawyer Superintendent to supervise the construction of said improvement according to the profile, plans, specifications and report herein heretofore duly made and provided for the construction of said improvement, said superintendent being a resident of said *Vermillion* Township, and said superintendent is hereby ordered to qualify as by law provided before entering upon the discharge of his duties as such superintendent. And this Board of Commissioners now appoints *J. H. O'Connell* engineer for the construction of said improvement and hereby orders said engineer to qualify as by law provided before entering upon the discharge of his duties as such engineer.

And this Board of Commissioners now finds the total cost of said improvement, to-wit, said *E. E. Steel* et al. free gravel road including the amount of said contract price for the construction of said improvement, and all expenses incurred and damages allowed prior to the letting of the contract for said improvement, and a sum sufficient to pay the per diem of the engineer and superintendent herein provided for, and all other expenses connected therewith, during the construction of said improvement, and said reasonable fee of *25.00* for said services of said attorney, to be \$ *24600.00*.

Thereupon the following Bond Ordinance was introduced and read, and the same was duly adopted by a unanimous vote of the Board of Commissioners of Vermillion County:
