

REPORT.

State of Indiana, Vermillion County, ss:

In the Commissioners' Court May Term, 1913

In the Matter of the Gravel Road Petitioned for by

Geo. W. Sykes et al.,

To the Honorable Board of Commissioners of Vermillion County, Indiana:

The Undersigned, Wm Fitzgerald and Frank Kopper, viewers, and J. A. Boor engineer, heretofore appointed in the above named cause, beg leave to submit the following report, to-wit:

That they met at the time and place named in the order issued in the above entitled cause, and after being duly sworn as provided by law to act as such viewers and engineer, and ~~said~~ having filed his bond as such engineer, in the sum of Five Thousand (\$5,000.00) Dollars, which bond was approved by the Auditor, they proceeded to view and locate said proposed gravel road in accordance with the order of the Commissioners.

And they find that said road will <sup>not</sup> be of public utility, and that the improvement of said road, by <sup>not</sup> grading, draining and graveling said road as hereinafter set forth, will be of public utility, and that ~~the following is description of the commencement, route and terminus of the proposed road, a description of the work proposed, the grade, drains, culverts, kind of bridges and improvements and quality and depth of gravel to be used, and also an estimate of the cost of construction, including the cost of culverts, drainage and all things necessary for the completion of the road.~~

They also file herewith, and marked Exhibit "A," a profile showing ~~the grade of said work.~~

~~DESCRIPTION OF ROUTE.~~

And now the petitioners report by their Attorney, and request that this petition be dismissed.

And thereupon said Commissioners grant said request of petitioners and dismiss petition.
