

REPORT.

State of Indiana, Vermillion County, ss:

In the Commissioners' Court..... July..... Term, 191...3
In the Matter of the Gravel Road Petitioned for by.....
H.C.Dies..... et al.,
To the Honorable Board of Commissioners of Vermillion County,
Indiana:

The Undersigned, John A Hughes..... and
Silas V Morgan....., viewers, and J.A.Booe.....
engineer, heretofore appointed in the above named cause, beg
leave to submit the following report, to-wit:

That they met at the time and place named in the order is-
sued in the above entitled cause, and after being duly sworn as
provided by law to act as such viewers and engineer, and said
J.A.Booe..... having filed his bond as such
engineer, in the sum of Five Thousand (\$5,000.00) Dollars, which
bond was approved by the Auditor, they proceeded to view and
locate said proposed gravel road in accordance with the order of
the Commissioners.

And they find that said road will be of public utility, and
that the improvement of said road, by grading, draining and
graveling said road as hereinafter set forth, will be of public utili-
ty, and that the following is description of the commencement,
route and terminus of the proposed road, a description of the
work proposed, the grade, drains, culverts, kind of bridges and
improvements and quality and depth of gravel to be used, and
also an estimate of the cost of construction, including the cost of
culverts, drainage and all things necessary for the completion of
the road.

They also file herewith, and marked Exhibit "A," a profile
showing the grade of said work.

DESCRIPTION OF ROUTE.

1st, Beginning at the north west corner of section one Township four-
teen north, of range ten west, on the line dividing Clinton and Helt
Townships, and running thence east on and along said Township line
12000 feet, to where said township line road intersects with the
Clinton and Center Church free gravel road.)

2nd Beginning at the north west corner of section two
Township fourteen north, of range ten west, on the line dividing
Clinton and Helt townships, and run thence west on and along said line
7650 feet to where said road diverges from said township line into
said Helt Township.
