

REPORT.

State of Indiana, Vermillion County, ss:

In the Commissioners' Court July Term, 1913
In the Matter of the Gravel Road Petitioned for by
John Taylor et al.,
To the Honorable Board of Commissioners of Vermillion County,
Indiana:

The Undersigned, Dora Stewart and
F.D. Wimsett, viewers, and J.A. Booe
engineer, heretofore appointed in the above named cause, beg
leave to submit the following report, to-wit:

That they met at the time and place named in the order is-
sued in the above entitled cause, and after being duly sworn as
provided by law to act as such viewers and engineer, and said
J.A. Booe having filed his bond as such
engineer, in the sum of Five Thousand (\$5,000.00) Dollars, which
bond was approved by the Auditor, they proceeded to view and
locate said proposed gravel road in accordance with the order of
the Commissioners.

And they find that said road will be of public utility, and
that the improvement of said road, by grading, draining and
graveling said road as hereinafter set forth, will be of public utili-
ty, and that the following is description of the commencement,
route and terminus of the proposed road, a description of the
work proposed, the grade, drains, culverts, kind of bridges and
improvements and quality and depth of gravel to be used, and
also an estimate of the cost of construction, including the cost of
culverts, drainage and all things necessary for the completion of
the road.

They also file herewith, and marked Exhibit "A," a profile
showing the grade of said work.

DESCRIPTION OF ROUTE.

Begin at the south east corner of the south west $\frac{1}{4}$ of section
four , Twp 15 , north, Range , 9, west thence north on the present
road way to the North east corner of the South West $\frac{1}{4}$ of the North
east $\frac{1}{4}$ of said section 4, 15, 9, said road being 4000. feet in
length.
